I enclose results for rounds 1 and 2 of the Dorset League, together with an updated league table. Unless I am advised to the contrary you will continue to receive results by surface mail. For those of a more impatient disposition they will also be published on the website page <http://www.parkstonegunclub.co.uk/DSRPA.htm>; probably several days before Royal Mail deliveries.

I apologise for the delay in despatching this publication, arising because there were several clubs who didn't read the small print, and assumed the dates given were the last day of shooting. However it should be clear now that the dates below are the dates by which I should receive your scores, **NOT** the last day of shooting.

Because of the low level of entries received initially I felt compelled to take the not inconsiderable number of entries received after the closing date. On balance this has improved the overall distribution of competitors within the leagues, especially on the rifle side; although the spread of averages in the lower divisions are still greater than I would have liked.

Team entries are lower than I would have expected, given the low cost and concurrent shooting, but hopefully this will improve next season.

I have received several enquiries as to whether or not the Dorset Open Championship will be run this year. Regretfully as far as I am concerned it will not. I am not ruling out the possibility of a championship event, but it will be purely for Dorset residents, I cannot cope with anything bigger at the present time.

Barrie
