Hi,

I attach the delayed results for rounds 3 & 4 of the Dorset League. In common with the first set of scores about 40% were returned late. While there may have been some justification for rounds 1 & 2 inasmuch as some of you expected the dates to be the Last Day of Shooting, there can be no such defence in subsequent rounds. To be fair there were some valid reasons, including two computer failures, which if you e-mail results (the majority) is a problem

Whilst I am reluctant to disqualify anyone, especially when that involves nearly half the entries, I've learnt from past experience that unless I make a stand at a fairly early stage, the situation will go from bad to worse. Consequently starting with round five scores returned late WILL be disqualified unless you have made prior arrangement with me, or if there is some justifiable reason. And there will have to be a good reason, not just an inability to stick to a schedule.

With only two exceptions six yard rifle averages have improved from those submitted by anything up to 20%, pistol down by up to 6% . It is therefore likely that I will revise the handicap assessments to reflect the new averages from round five on. Ten metre team handicaps will be unaffected.
