Hi,

Please find attached results for Rounds 5 & 6. Handicaps in the six yard disciplines have been revised to some extent by replacing averages submitted at the entry stage by those achieved in the first four rounds. This will have a limited effect in equalizing scores. I say limited because no reasonable handicap system can substitute for balanced divisions comprising shooters of comparable ability.

I have had several enquiries as to whether or not there would be a DSRPA Winter League. The answer is yes, and the intention is to send out entry forms with the final results for the summer league. A bit prompt perhaps, but the current league did start rather late.
