To Terry Churchill  
And The Members of Ferndown GC

I enclose results for the final rounds of the Dorset 2006 Summer League, together with a list of averages in both rank and alphabetic order. Supply problems encountered with medals have been resolved, and will be despatched as soon as I am able to get them engraved. As in previous seasons awards will be for first place only, and although some clubs have made it clear they are not happy with that, there is very little option at the present without increasing entry fees considerably. Medal costs have increased by about 30%, and for next season I may have to cancel team events with less than four teams entering.

Some problems have been encountered over the season with postal returns being either late or undelivered. Some have made returns by recorded delivery, but I would stress that this is probably the least reliable method, as the Royal Mail require a signature and won't leave it without. Admittedly they leave a card notifying of such, but I'm afraid I'm not prepared to chase around after the Post Office to do their job for them. Where you have provided an e-mail address I would normally send notice that I haven't received results, but not if it is a persistent occurrence.

Entry forms for the 2006/7 league will be sent out later this month.

County teams for the 2006/7 season will be selected from the highest averages over the past two seasons. At the time of entry last year I did not have averages for all Dorset shooters, so had to do what I could with what was available; this year I'm in a better position and a list of the current seven highest averages in each discipline is enclosed. I would be grateful if you could enquire whether or not any members of your club appearing in the **first five** on the list are prepared to shoot for the County. They must, of course, live within the county boundary. I am also considering entering a Junior team providing those listed are able and willing to shoot, although I have no idea of the standards at this level.
