The Members of «Club»

Some delays to results were experienced this month, caused by both the previously mentioned e-mail problems, and by access difficulties for some competitors caused by the recent flooding. Under the circumstances it seemed unjustifiable to stick rigidly with closing dates. All results were received within a few days, and the results for the final rounds of the leagues are given in subsequent pages; together with a list of current averages in both rank and alphabetic order.

May I proffer my congratulations to all those who achieved a successful result.

Entry Forms for the winter season will be sent out later this month.
