To «Club»

When I first started running postal leagues for Dorset County way back in the eighties standard equipment was an electric typewriter, gallons of tippex, and a photocopier. Today with computers life is much easier. Or is it! On the Monday following the closing date with half the scores still on my ISP's server, and an ADSL connection that wouldn't connect for more than about five seconds without rebooting, I wasn't so sure.

I digress, that's just an explanation why the results are somewhat overdue, but eventually perseverance paid off, and rounds 7 & 8 of the league are listed on the following pages, together with a list of averages for the current season. «Message1» «Message2» «Message_3» Any medals due will be forwarded as soon as available.

I would like to thank all participants for their support, and I look forward to renewing our association during the Summer 2008 season, entry forms for which will be sent out late February/early March.
