The Members of «Club»

Herewith results for the first two rounds of the Dorset Leagues. There are some corrections to the league tables published earlier, caused mainly by transcription errors in averages on my part.

There were some minor extensions of time, which delayed results to some degree, but for my part I would rather delay results for two or three days than have the high volume of NCR's we had in last season's league.

I would also like to welcome Walton's Lions from the West Midlands to their first season in the Dorset leagues.

### Inter County Leagues

**Pistol:** The pistol team started well, winning the first four rounds and looking unbeatable. Round 5 we were beaten by Hertfordshire the eventual winners; but the round that really cost dearly was round 7. The targets were lost somewhere in the postal system, and as I didn't have proof of posting we were NCR'd. Dorset wouldn't have won that round, but it would have meant the team didn't lose on aggregate. Sod's Law I suppose, but Warwickshire must have felt equally badly, no bad rounds, and the highest aggregate, and ended up fourth.

**Rifle:** Unlike the pistol team, the rifle team never looked to be in with a chance. Given the low number of air rifle shooters in the county it's surprising that they get as high as division 3.

Full results are listed towards the end of these results..
