### **FRONT COVER**

#### **The Lulworth Ranges**

The MOD has had possession of the area of the Dorset Coast from Lulworth Cove to Kimmeridge Bay since they commandeered it during WW2. Restricted access is only available at weekends, Bank Holidays, and the month of August when the MOD sweep the trails for any unexploded ordnance.

The cover photo was taken from a huge Iron Age hillfort that, together with more recent (WW2) military installations, is slowly disappearing into the sea, probably about 50% of it to date. At this point you're approximately 2½ miles inside the range perimeter.

From here the path leads past Arish Mell to which access is prohibited for some reason, possibly because it was the site of the 6 mile radioactive outflow from the Atomic Energy Research station.

After that another 2 miles of arduous climb over the 550' Bindon Hill takes you to Lulworth Cove, the Eastern perimeter of the range, and one of Dorset's most picturesque visitor destinations.

Current and archived results, Gas & Air, averages etc., are also published in PDF format on [www.dsrpa.co.uk](http://www.dsrpa.co.uk)

The DSRPA also organize Gallery/Sport Rifle Leagues. If you're interested ask for your name to be added to the contact list for this discipline.
